P R E M I U M A U S T R A L I A N W I N E S

Variety: 100% Sauvignon Blanc
Appellation: Adelaide Hills, South Australia
Vintage: 2002
Maturation: 100% Stainless Steel
Alcohol: 12.3%
pH Acid: 3.30 6.8gm/litre
Production: 1000 cases

The 2002 Sauvignon Blanc harvest produced wines of lighter structure, but more intense fruit than our previous harvests. To round out the structure, 14% of fuller bodied Clare Valley Sauvignon Blanc was added to the blend. The resultant wine shows the distinct passionfruit/grapefruit/citrus aromas typical of the cool Adelaide Hills district while being enhanced by the more tropical characters attributed to the Clare Valley region. The wine is made with no oak and no MLF. This wine is pure Sauvignon Blanc fruit. An rich palate with soft, round flavours and crisp acidity make this an ideal wine for immediate drinking. Will pair well with salads, seafood, white meat, or just enjoy on it's own.
