Combination of Hogsheads and Barriques.
Alcohol: 14.6% V/V
pH Acid: 3.55 .67gm/100ml
Production: 706 cases total

This is our fourth Zinfandel release and we think our best. The wine is produced from our estate vineyard in the Kalimna area of the Barossa Valley. This area is home to some of Australia’s greatest Shiraz vineyards. Known for its unforgiving soils we felt it a perfect site to help pioneer the Zinfandel grape into Australia. The vines were grown in a traditional head-trained method, commonly referred to as “bush vines” in Australia. This training produces lower yields and more concentrated berries. Portion of the bunches were allowed to slightly raisin to further complex the flavours.

Our Zinfandel is quite a unique wine. The nose is unmistakably Zinfandel in fruit character. It displays lifted spicy aromas and bright red fruits of strawberries, cranberries and pomegranate. It is further complexed by very slight raisiny notes from the riper zinfandel grapes. The colour is a vibrant red/purple showing nice depth. The wine is medium bodied and structured with bright acidity, finishing with evident but soft tannins. Great with pasta, red meat and cheese. We recommend enjoying it now and for the next 10 years.
